Mr. Kirk Marrow,
Detective Bureau,
Police Department,
Elizabeth, N. J.

Dear Mr. Marrow:

I am sorry I did not get finished our conversation at the ball Park Thursday, but as you know I was called away and did not get back to you again.

I have given a lot of thought to the matter you were discussing with me, and would like very much to co-operate with you. After considering everything I have decided that I could come to Elizabeth on Monday night, August 11th and play the game for the benefit of the Policemens Hospital Fund for one hundred and fifty dollars(\$150.00). If you feel this price is too much, I will not feel badly if you use another ball club. I imagine you could get one of the other League Teams for a little less.

I hope this will be satisfactory to you and will appreciate hearing from you right away, as I am arranging my schedule for the rest of the season. We are in Baltimore Sunday, the 10th, and will probably stay down South if I do not come back to play this game for you.

Very truly yours,
